

POCANTICO HILLS CENTRAL SCHOOL DISTRICT

BOARD OF EDUCATION GOALS

2021-2022

- 1. Support Ongoing Student Growth, Wellbeing, and Achievement**
 - a. Conduct a professional review of the PreK-8 curriculum and student needs to inform a plan delivering best in class standards and alignment both internally and with partner high schools
 - b. Deliver a concise, actionable, measurable long term strategic vision for the district
 - c. Further improve training and capability in the area of instructional technology
 - d. Strengthen existing and establish new relationships with neighboring cultural, business, and community organizations, to enhance student learning
- 2. Social Justice**
 - a. Pocantico recognizes the positive role it can play in improving social justice for the school community, and by extension, society, and commits to ongoing strengthening of relevant initiatives
- 3. Execute Ongoing Facilities Initiatives, and Develop Phase II Capital Plans**
 - a. Ensure successful completion of ongoing projects including the tennis courts; full-site generator; safety enhancements; roof replacement; and installation of solar panels and other environmental/energy efficiency measures per the approved EPC
 - b. Complete planning phase for Phase I Capital Improvement Plan
 - c. As guided by the Building Conditions Survey, develop subsequent phases of capital improvement plans with input and engagement from stakeholders to maintain and improve the physical plant with a focus on strong fiscal stewardship, site safety, improving IT infrastructure, enhancing the learning environment, and reducing environmental impact
