CLASS PERIOD:

Assignment: FOLK ART RESEARCH PAPER-

Students have been studying different types of Folk Art since the semester began. Students will now further their study of Folk Art by writing a paper on the subject. Students will choose the specific topic for their independent research as long as they can relate it to Folk Art. Students can focus their paper on Folk Art as a whole, they could narrow their research to one type of Folk Art in particular, they could research an individual artist or culture, or a variation of the information they have collected on this topic.

If the research paper is handwritten then it must be at least one page without skipping lines. Students typing their paper must have at least two pages, single spaced, using size 12 font.

Students will be graded on a scale of 1-4 in the following categories:
