

8th Grade Class Meeting

November, 21st, 2019

Present: Mr. O'Shell, Weslie, Alivea, Luke, Deuce

Community Service Project Ideas – last time we talked about possibly doing a bake sale, but the CTSO is doing this. Next time we will make a plan to make Kindness Rocks. We will complete these during the winter. We will also find out what LLCs does for picking up trash along roads e.g. on the way to Newcomb. We will hopefully do this in the spring.

We still need to do a class photo – next class meeting we will make tie dye shirts. Mr. O'Shell will order light pink shirts and we will make the tie dye shirts next time.

We discussed how Mr. O'Shell can support us in school. Each student checked their 1st quarter grades and has a plan to improve in at least one subject. We can stay after with Mr. O'Shell almost any day for help in any subject.

Next meeting – either Thursday 12/12 or Thursday 12/19. Weslie will check practice schedules. We will continue to meet every month.
