

12/3 Technology Meeting Minutes

Meeting started at 3:02

Present: Elizabeth Noonan, Christopher Sass, Fasiehul Haq

Smartboard:

- First grade classroom (Room 203) smartboard was installed.
- High School English (Room 304) does not have a smartboard, process will be started to be installed.
- One smartboard remains, to be kept as a spare if possible.
- We are looking for spare pens / pen trays to have on-hand as replacements

Base Classroom:

- Development of a survey will begin, to be distributed to faculty in the future.
- Potential questions include:
 - What technology do you have in your classroom?
 - What technology do you use / not use?
 - Do you have technology that you don't know how to use / would like to know more about?
- Google form, announced at future faculty meeting and distributed via email.

Fasiehul Update:

- Fasiehul has acquired larger monitors for the computer lab, to be installed at a future time.
- Several iPads are locked with unknown passwords
 - They are being sent back to Apple to be unlocked and updated.

iReady:

- Can we use iPads or Chromebooks for iReady testing?
 - We will check student security for using these devices.

Next Meeting: 1/7/2019 @2:45 in the High School Library
