

Combined 11th and 12th grade Class Meeting Minutes

Date: February 17, 2022

11th grade attendees: Logan, Reid, and Garritt

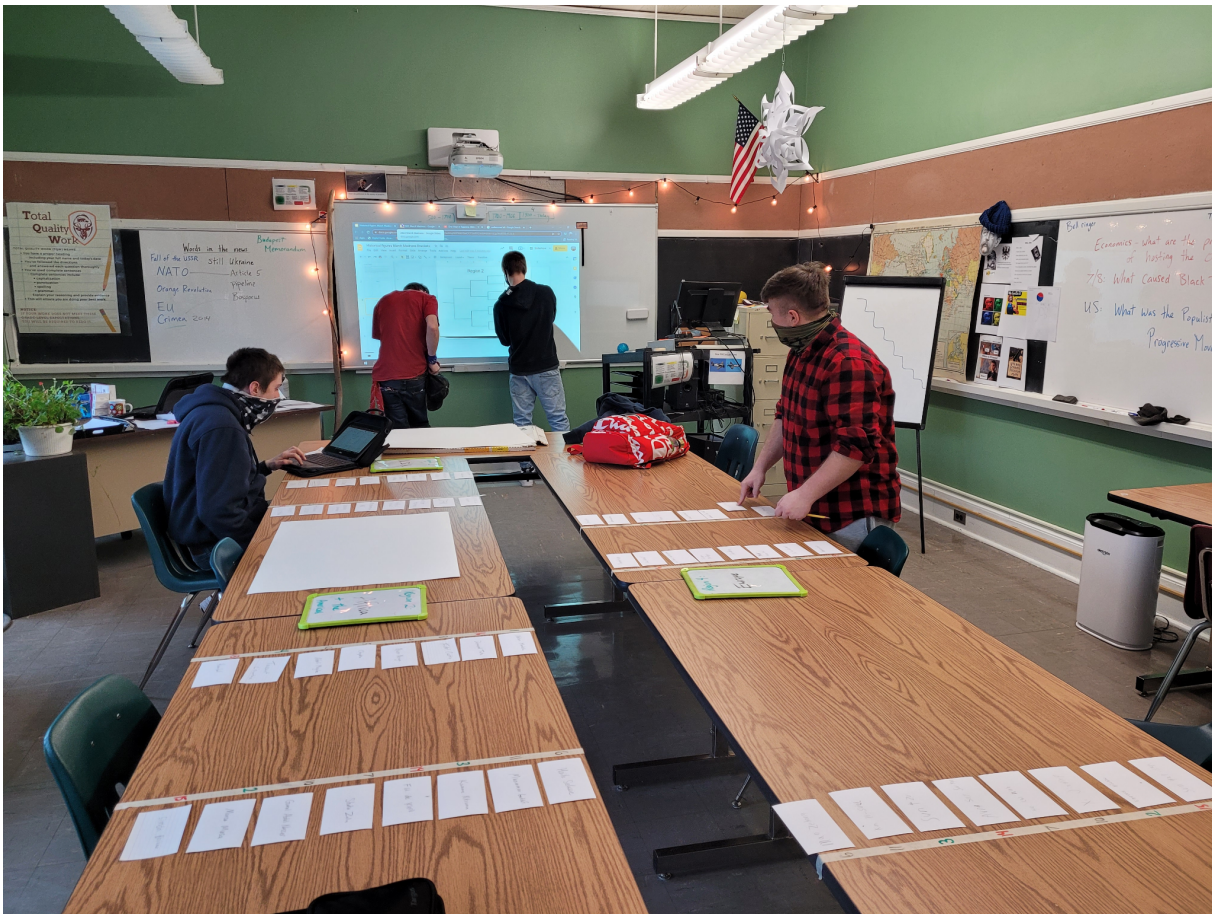

11th grade absent: Ravyn, Sophie

12th grade attendees: Ivan

12th grade absent: Anna, Ethen

Discussion highlights: Students were given an opportunity to discuss any college or post-secondary plans. Our seniors, even those absent, are somewhere in the process of applying to colleges or talking with a recruiter for the armed forces.

We spent most of the time planning the logistics of our upcoming combined 11th and 12th grade spring community service project, a fundraiser based on a March Madness bracket contest based on historical figures.

Next steps: finalize and implement fundraiser activities within the first week of March.

Next meeting: Monday, 2/28, at 11:28 in room 307.

Action items: seek guidance for planning a senior trip, perhaps a local trip near the end of the year like last year's senior trip. Montreal is definitely not an option at this point, and seniors have previously decided they would not like a NYC trip.
