

Project Grade Sheet

NAME:

CLASS PERIOD:

Assignment: MOLA COLLAGE-

Students were introduced to the Kuna form of fabric collage called Molas. Students learned about the collage process and how to create an image using different layers of paper. Students studied space and depth and how to utilize implied and actual depth in their design.

Students were graded on completion, evidence of planning, color choice, use of implied/actual space, ability to create a collage working back to front, compositional organization, craftsmanship, understanding/following assignment directions and expectations.
