A MESSAGE FROM THE SUPERINTENDENT AND BOARD OF EDUCATION

Welcome to a brand-new school year! We hope you've had a wonderful summer. Soon, the weather will turn crisp and the 2018-2019 school year in the City School District of New Rochelle will be fully under way.

We are thrilled to welcome our new and returning students, faculty and staff, and are eager to dive into another year of the endless possibilities, discovery and achievement that come with a City School District of New Rochelle education. The District's reputation for academic excellence is second to none, and we look forward to a school year that will give the child in your life all the necessary tools to be academically successful and fully prepared for college or a rewarding career.

This calendar presents to you the full scope of the school year in a clear, easy-to-understand fashion. It will provide you with information about events going on at all of our schools while also showing you the days that school is in session or closed. There is important contact information provided for whenever you want to reach out to us.

We have been working hard over these past few months to ensure everything is in place for the first day of school on Sept. 5. During the summer, the district ramped up progress on Phase II of its \$106.5 million capital improvement bond construction projects. At a cost of \$46 million, it is the largest of four phases either completed, planned or under way. It includes roof repair, installing new asphalt and concrete, upgrading plumbing and electrical wiring, and more. Much has been accomplished, and the entire phase is expected to be completed shortly.

The faculty and staff are ready to foster the joy of learning in your child and to provide the best possible educational experience. We will continue the district's mission of providing a high-quality and challenging education for every child in a safe, nurturing environment that embraces our rich diversity and drives our success through a collaborative relationship with the community, parents, staff and students.

We encourage you to be an active partner in your child's education and we welcome your involvement.

Sincerely,

Brian G. Osborne, Ed. D, Superintendent of Schools
and the CSDNR Board of Education

BOARD OF EDUCATION

Jeffrey Hastie, President	jhastie@nredlearn.org

CALENDAR AND DIRECTORY OF THE CITY SCHOOL DISTRICT OF NEW ROCHELLE 2018-2019

BOARD MEETINGS

The Board's regular monthly meetings are held in public and are generally scheduled on the first Tuesday of each month at 7 p.m. at various schools throughout the district. A Committee of the Whole session is generally held on the last Tuesday of each month at 7 p.m., except in July and August. Parents and residents are invited to attend all meetings. Meetings are listed in the calendar and announced in the local media.

COMMUNICATIONS WITH THE BOARD

District residents and others may reach the entire Board of Education with an email to boe@nredlearn.org, which will be forwarded to all Board members, the Superintendent of Schools, the Clerk and Secretary to the Board of Education and the Assistant to the Clerk and Secretary. The Board also provides time at its regular monthly meetings for the public to be heard. Speakers may be included on the Board's printed agenda by contacting the Clerk and Secretary (914-576-4219) at least one day prior to the Board's meeting. Residents who wish to communicate with the Board by letter may address their communication to the President, Board of Education, 515 North Avenue, New Rochelle, NY, 10801.

Questions concerning administrative matters or individual students should not be directed to the Board until the appropriate staff members or administrators have first been contacted. In cases of questions or problems concerning a student, parents should first contact the teacher or guidance counselor, then the principal, and then, if necessary, the Superintendent of Schools or his staff.

If after these contacts, questions still remain, the matter may then be brought to the attention of the Board of Education. Experience has shown that most problems can be resolved with the least delay if the staff member nearest the problem is approached first.

2018-2019 SCHOOL DATES*

Sept. 4	Staff Only – Superintendent's Conference Day (Tues.)

City School District of New Rochelle

City School District of New Rochelle Strategic Roadmap

Embracing Diversity: Driving Success

MISSION (Our core purpose):

The City School District of New Rochelle, through an active partnership amongst community, parents, staff and students, will provide a high-quality and challenging education for every child, in a safe, nurturing environment that embraces our rich diversity and drives our success.

CORE BELIEFS (Drivers of our words and actions):

We believe...

1. Schools should be safe, joyous places of learning
2. Every student is worthy of intellectual, social, and emotional respect
3. In the continuous improvement of teaching and learning
4. Quality education requires culturally competent adults
5. Parents and guardians are our partners
6. In the pursuit of equity and excellence
7. The diversity of our schools is a strength
8. In fiscal accountability to those that invest in our schools
9. In providing robust, varied, and cutting-edge educational opportunities
10. In educating the whole child by nurturing students' physical, social, emotional, creative, and intellectual growth

PUPIL SERVICES

The professional staff of the Pupil Services department is committed to the success of all students in an educational setting. The department maintains census records and attendance information and offers the following additional services below.

SCHOOL PSYCHOLOGY

School psychologists provide important support to assist students in achieving maximal benefits from their educational programs. Their services include support for prevention of educational and behavioral problems through 1) early consultation with school staff and parents; 2) identification of students' strengths and needs through observation; 3) psychological and other assessments; 4) individual and group counseling; 5) development and implementation of primary prevention; 6) social skills and esteem-building programs; 7) positive behavioral interventions; 8) parent education; and 9) crisis intervention and other services.

SCHOOL SOCIAL WORK

School social workers are resources for the delivery of school-based support services who work as liaisons among the schools, families, and community programs and agencies. Emphasis is placed on collaboration and coordination of services. By utilizing social history and other assessments, social workers collaborate with parents, teachers and other staff as part of a multidisciplinary team in interpreting children's needs.

ATTENDANCE/TRUANCY

Attendance teachers are essential participants in the district's efforts toward attendance improvement and dropout prevention. They provide outreach, through home visits to students and families, to address attendance problems before they become chronic. They serve as liaisons with community agencies and family court. Through residency verification and investigations, attendance teachers help to ensure that the district's resources are reserved for New Rochelle residents.

WORK PERMIT APPLICATIONS

Work permits are required by law for students under 18. Information about procedures and application forms are available from the school nurse, or from the census office located on the third floor of City Hall, 515 North Ave.

CENSUS

A continuous census is maintained of resident minors enrolled in public and non-public schools in and outside the City of New Rochelle. Pupil population data includes individual and family information essential for district projects. All working papers are issued by the Census Office.

CHANGE OF ADDRESS OR PHONE

Any change of a student's personal status, such as change of address (including apartment number), telephone number, or family name should be reported to the school office. Parents must also notify the school of changes in telephone numbers where they may be reached in cases of emergency. Personal information will be kept confidential.

TRANSPORTATION

Free transportation is provided only for pupils enrolled in kindergarten through fifth grade who are New Rochelle residents who live at least 1.5 miles, but less than 10 miles, from the school they attend. Students in grades 6-12 who are eligible will receive subsidized MetroCards or student passes to use for public transportation to and from school. No trips home for lunch are provided. Pre-Kindergarten children attending school for half-days at Henry Barnard School—morning or afternoon—are transported according to a regular bus schedule.

The district does not provide door-to-door transportation service, except for pupils enrolled in special education programs. Students in kindergarten and their siblings will be dropped off at their home address following the 3:15 p.m. dismissal; however, such services do not include buses or vans entering private driveways, roads or dead-end streets.

Safety Reminders: Parents should familiarize pupils with bus stop locations and ensure that pupils arrive at their bus stops in a timely manner. Pupils are transported to and from assigned bus stop locations only. Children in all grades will be discharged at their assigned bus stops, even if there is no adult present to receive them, except for special education students. The safety of the pupil between home and the bus stop location is the responsibility of the parent.

Parents should stress the importance of remaining seated and reasonably quiet while the bus is in motion. Students should dress for weather conditions, and for visibility in inclement weather. Policies and procedures and evacuation drills are in place to ensure your child's safety. Please support these safety measures. To maintain discipline, the school district reserves the right to suspend transportation privileges. For more information, please visit our website at www.nred.org.

Transportation Application Procedures:

To Private Schools - April 1 is the deadline to request free transportation for children in grades K-5 who attend private or parochial schools. Applications must be filed every year. Applications received after the April 1 deadline (or requests for a change of school after April 1 on applications filed prior to April 1) will be approved only if additional expense is not incurred by the school district. Requests should be sent to: Transportation Office, City School District of New Rochelle, 515 North Ave., New Rochelle, NY 10801. New Rochelle residents who move into the district after April 1 have 30 days to apply for transportation.

REGISTRATION OF NEW STUDENTS

Parents seeking to register children should call the school's main office for an appointment. At the time of registration, parents must present: three (3) proofs of residency, proof of the student's age and the most recent report card. For students residing with someone other than a parent or court-appointed legal guardian, or in cases where parents do not have required proof of residency, enrollment must be arranged through the Department of Pupil Services. Please call 576-4274 for information.

At the time of registration, students residing in the Lincoln District will be assigned a school by the Superintendent of Schools. Parents/guardians should bring their children to the school when seeking registration.

PRE-KINDERGARTEN PROGRAMS

Recognizing the importance of early childhood education, the district provides space for a limited number of 4-year-olds at the Barnard School for the NYS Pre-Kindergarten program and the Early Childhood Magnet Program. The Pre-Kindergarten programs help the young child with a comfortable, secure and inviting transition from home to school. Both programs provide developmentally appropriate opportunities to promote each child's natural abilities, interests and enthusiasm for learning. Applications for the NYS Pre-Kindergarten Program are available by contacting the main office at Barnard at 576-4386. Applications for the Barnard School Magnet Program are available at the open house event in January.

MUSIC AND VISUAL ARTS

A comprehensive music and visual arts program provides children rich experiences in the fine and performing arts from Grades K-12. Our Academic and Advanced Placement courses at New Rochelle High School extend a student's opportunities for artistic advancement. Resident performers and artists complement our arts education programs throughout our schools. The NRHS PAVE (Performing and Visual Arts Education) Program affords talented high school students an opportunity to major in a specific art form (dance, music, theatre, visual arts). Students are admitted by auditions held each spring. Our young artists present

their accomplishments through concerts, recitals and shows in the winter and spring. Our annual, district-wide "Our Children, Our Artists," visual arts exhibit at the New Rochelle Public Library each May showcases exemplary student artwork; the Best of PAVE program in late spring highlights our very skilled performers and artists.

MAGNET SCHOOLS: MAGNET APPLICATION

Parents interested in applying for admission to the Barnard Early Childhood Center must apply by 4:30 p.m. on January 18, 2019. Applications for the Columbus Science, Math, Technology Magnet (C=SMT) or the Daniel Webster Humanities Magnet are due by 4:30 p.m. on March 15, 2019. Applications are available at each of the Magnet Open House programs: Barnard Early Childhood Center on January 3, 2019, Daniel Webster Elementary on February 28, 2019 and Columbus Elementary on February 28, 2019.

All applications should be delivered to the Magnet Office at City Hall. Available Magnet spaces will be assigned by lottery. Applicants are invited to the public drawing, which is held in the Board of Education meeting room at City Hall. Parents should also register their kindergartner in their assigned neighborhood school. A summary of Magnet Program dates and deadlines is below.

Barnard:

Barnard Magnet & UPK Open House: January 3, 2019, 6:30 p.m.

Deadline for Barnard Magnet & UPK applications: January 18, 2019, 4:30 p.m.

Barnard Magnet Lottery: February 1, 2019, 9 a.m.

Barnard/UPK Lottery: February 6, 2019, 9 a.m.

Columbus & Webster:

Columbus Magnet Open House: February 28, 2019, 7:15 p.m.

Webster Open House: February 28, 2019, 6 p.m.

Deadline for Columbus & Webster applications: March 15, 2019, 4:30 p.m.

Columbus & Webster Lottery: March 21, 2019, City Hall, 9 a.m.

TRINITY ELEMENTARY SCHOOL COMMUNICATION ARTS & TECHNOLOGY MAGNET (TESCAT)

TESCAT is a neighborhood magnet school that is open to all students in the Trinity attendance area. Students learn a multitude of communication skills through the TESCAT magnet theme areas. They plan and produce daily news broadcasts in the digital TV studio. Students publish a newspaper, books and a literary magazine in the publishing center. Through the creative arts studio, artists-in-residence coach students on dramatic presentations of social studies themes. TESCAT also features an outstanding orchestra and 100-member marching band in the music conservatory. A computer network/distance-learning center is used to develop students' technology skills for now and the future. TESCAT is a learning community that strives for the success of all students by focusing on meaningful learning experiences in an environment that appreciates cultural diversity and nurtures respectful, responsible citizens.

REINSPECTION NOTICE- AHERA Program

Under the provisions of the Federal AHERA program and the New York State Education Department, all public school buildings must be inspected every three years and periodically checked every six months to update the district's asbestos management plans. New Rochelle's first inspection under AHERA was completed in 1989. Re-inspections are conducted every three years, most recently in 2016 by Viking Environmental Corp.

BARNARD EARLY CHILDHOOD CENTER

A dynamic and challenging primary Magnet Program for Pre-Kindergarten through Grade 2. The program places a strong emphasis on language development for young children. The students engage in learning activities aligned to the Common Core State Standards in a social-emotionally safe and nurturing environment where the focus is on the cognitive and social development of each child. Students who complete the program at Barnard will automatically have a space reserved for them at their neighborhood elementary school for Grade 3.

COLUMBUS SCIENCE, MATH, TECHNOLOGY MAGNET

The Magnet Program at the Columbus School provides a challenging curriculum with emphasis on science, math and technology. School activities, as well as after-school programs such as our nationally competitive Chess Club, are organized to demonstrate that all students can meet and exceed the highest standards of excellence. The Columbus Magnet School ensures that classroom and school-wide activities meaningfully engage and excite students while also involving parents in their children's education. In addition to child-centered, hands-on science, technology, reading, research, art and mathematics projects, Columbus emphasizes frequent use of technology both in the classroom and in computer labs. Special facilities include the Global Learning Center, a fully equipped science lab, the Greenhouse and Nature Study Pond, the Library Media Center, and computer labs. Partnerships include area colleges and universities such as Iona, Pace and College of New Rochelle, and City College's Math in the City Program.

DANIEL WEBSTER HUMANITIES MAGNET

Daniel Webster Magnet School enrolls children in kindergarten through grade 5. As part of the Magnet Program, there is a humanities theme at each grade level. The themes are: Jurisprudence (laws and customs), Philosophy (logical reasoning and relationships), Economics (interdependence), Sociology (self, family, neighborhood) and Philosophical Perspectives through Literature. Spanish is taught at every grade level. Webster School also features a Studio Arts Program where children participate in a performing art or a visual art for ten consecutive weeks.

KALEIDOSCOPE

Kaleidoscope is an enriched program of study in language arts and mathematics for all fourth and fifth grade students, which is intended to complement the core curriculum. Students participate in the regular classroom program or are selected for either the modified Kaleidoscope program at each elementary school or the full-time Kaleidoscope program at the Webster Elementary School, which also includes science and social studies. Selection is based on test criteria, creativity ratings and a review of writing samples.

SPECIAL PROGRAMS

Special programs include Pre-Kindergarten programs for 4-year-olds, expansive K-12 technology education programs in all schools, a modified Kaleidoscope program in each K-5 building, a full-time districtwide Kaleidoscope program in Webster Elementary School, a unique space science curriculum featuring demonstrations in the New Rochelle High School planetarium, English as a Second Language programs (which enroll children from more than 20 countries) and infused arts-in-education programs. All of these programs reflect the school district's ongoing commitment to expand learning horizons and to broaden educational perspectives. In addition, all elementary schools feature a unique thematic component as an overlay to the district's Common Core-aligned curriculum.

ELEMENTARY LANGUAGE PROGRAMS

The Children's International Language Academy (CILA) offers Dual Language Programs at the elementary level. Students who graduate from the Spanish-English Dual Language Programs housed at Trinity and Ward Schools have the opportunity to register - in middle school and high school- in advanced Spanish courses or third language courses. When necessary, there is a lottery for placement in the Spanish Dual Language Program. A robust Italian FLES Program is offered at Jefferson Elementary School. Students interested in the Italian FLES program at Jefferson, apply to Henry Barnard's Magnet Lottery as early as pre-school, since Barnard offers Italian FLES to its students in Grades K-2.

SPECIAL EDUCATION

The Special Education Department offers comprehensive services for students with disabilities ages 3 to 21 who are recommended to receive special education by the Committee on Special Education (CSE) or Committee on Preschool Special Education (CPSE). The programs provide individualized education in the least restrictive setting. The department provides advocacy and support and works with the Special Education Parent Teacher Association's (SEPTA) programs.

Each September, the district seeks to identify children with disabilities who will enter the public schools and are not identified by the district's Committee on Special Education. Parents or guardians who believe their children may have a disability should contact the Office of Special Education, 515 North Ave., New Rochelle, NY 10801, att: Dara Joseph, Chairperson. Parents who suspect their preschool children may require special education services should contact: Edith Barasch, Chairperson, Committee on Preschool Special Education, Barnard School, 129 Barnard Road, New Rochelle, NY 10801.

ALTERNATIVE EDUCATION PROGRAMS

The Alternative Campus High School is a part of New Rochelle High School designed to provide approximately 80 students with a small, supportive setting in which to pursue their high school diploma. The program offers high school students experiencing challenges in school an opportunity to apply for a "fresh start" in our alternative setting. Prospective students must demonstrate a strong motivation to enter the program.

The program provides students with small classes, personalized attention, academic supports, counseling supports, and a variety of instructional approaches. Our smaller learning environment also provides students with a greater sense of belonging to a community. Opportunities for community service and cultural enrichment are also provided as part of our program. We focus on helping students improve self-esteem and achieve success. The overwhelming majority of students who enroll will demonstrate improved attendance, grades, and credit accumulation and will go on to earn a Regents diploma.

HEALTH SERVICES

The Health Services Department, under the direction of a board-certified pediatrician, strives to care for the entire school community while offering individualized care to students with identified acute and chronic health conditions. Students in public, private and parochial schools are medically evaluated. Physical examination certificates must be submitted for new entrants and students in Grades K, 2, 4, 7 and 10. All students must comply with New York State Health Law immunization requirements. Through screening programs, students are examined for growth and nutritional status, vision and hearing impairment, scoliosis and hypertension. Health records are maintained. Parents are apprised of all medical factors identified in school. Special medical examinations and consultations are offered based on referral from the building-level Pupil Personnel Services Team or Special Education Department. All candidates for interscholastic sports must have a medical evaluation, which includes an Athletic Health History review and examination by a school physician or the candidate's personal physician.

School nurses provide services for students with special health needs that must be met during the school day. These services are based on the private/clinic physician's treatment plan and must be consistent with State Education Department and school district policy and procedure. School nurses are also a resource for parents who have concerns about how their child's health status may impact his or her educational program. They are knowledgeable about health services available in the community and can assist families in locating appropriate sources of general and specialty pediatric and dental care.

CONFIDENTIALITY OF MEDICAL & MENTAL HEALTH INFORMATION

The clinical staff of the City School District of New Rochelle adheres to the standards of the Health Insurance Portability and Accountability Act (HIPAA) to the extent that those standards are applicable to school districts. In addition, the confidentiality of student medical/health information in student records is protected by the Family Educational Rights and Privacy Act (FERPA).

WELLNESS

The City School District of New Rochelle has a wellness policy and an active wellness program, with a School Wellness Council (SWC) in each building. The District Wellness Committee and SWC's work with the Healthy Schools Program of the Alliance for a Healthier Generation on a framework containing eight elements of wellness. Parents and staff are advised to visit the Wellness page on the district website (choose the Wellness Initiative on the left-side menu) and www.healthiergeneration.org. Please refer to the list of Healthy Snacks. We encourage parents to send healthy snacks for students who have snacks in class. New parent members of each SWC are welcome.

CONCUSSION

The Health Services and Athletics Departments share responsibility for the District's Concussion Management program. Students participating in those interscholastic sports with known risk for head injury/concussion undergo baseline neurocognitive testing. Students who sustain head injuries/concussions are followed according to District policy and procedure. Parents of affected students are contacted directly.

NONDISCRIMINATION STATEMENT

In the administration of its programs and policies, the City School District of New Rochelle does not discriminate on the basis of age, sex, race, creed, color, national origin or disability. It complies with Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Educational Amendment of 1972, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990 and the Individuals with Disabilities Education Act. Inquiries regarding this policy should be referred to the school district's compliance officer: Dr. Joseph H. Williams, 515 North Ave., New Rochelle, NY 10801-3416.

EDUCATIONAL CABLE TV ACCESS

Educational programs and prerecorded video programs of events in the school district are broadcast on the district's educational television station via Cablevision Channel 77 or Verizon Channel 30, both available to cable TV customers in the City of New Rochelle. Program schedules are broadcast during the school year. The station broadcasts bulletin board notices and pre-recorded programs during July and August.

CONTINUING EDUCATION AND ADULT EDUCATION PROGRAMS

The district provides a year-round program of continuing education enrichment for adults. Courses are offered at New Rochelle High School in many subject areas. For specific course information, call the Continuing Education Office evenings from 3-9 p.m., Monday through Thursday, at 576-4547. Registration for senior citizens is half of the standard fee for most courses.

NEW ROCHELLE FUND FOR EDUCATIONAL EXCELLENCE - "NR FUND"

The New Rochelle Fund for Educational Excellence supports our school system and its extraordinary, diverse student body through advancing equity, excellence and inspiring all public school students. The NR Fund partners with the City School District of New Rochelle and engages the broader New Rochelle community to develop, fund and implement high-quality educational and enrichment programming that enhances the school experience and helps students thrive and succeed along their educational journey. Some of our signature programs include Poetry Out Loud, SAT/ACT Test Prep, the Civics Symposium and the Museum of Arts & Culture at NRHS. Please visit www.nredfund.org for more information.

EMERGENCY CLOSINGS & ANNOUNCEMENTS

If schools must be closed due to bad weather or other emergencies, or if significant transportation delays are experienced, announcements will be made over the following local media: Internet - district and school web pages: www.nred.org; cable TV - CABLE 30; and radio - WVOX 1460 AM. If there is no announcement, schools are open. If schools are closed, they are closed for all other scheduled activities, including after-school programs, athletics, continuing education classes and evening programs.

As a decision is made, our primary concern is the safety of the children. Transportation service for eligible students in Grades 6 - 12 is provided by Westchester County Liberty Lines. Buses that transport students to and from Albert Leonard Middle School, Isaac E. Young Middle School and New Rochelle High School also serve established county commuter runs that Westchester County Liberty Lines cannot alter. In the event of a delayed opening or early dismissal, parents should not depend on Liberty Lines buses to be available to transport students. The school district will strive to provide yellow buses to follow existing Westchester County routes. Please expect delays. Parents may wish to make arrangements to get their child to/from school. Because the district may need to notify you by phone in an emergency, please provide your child's school with any change in telephone number or contact information.

SCHOOL WEBSITES & TEACHER PAGES

The City School District of New Rochelle utilizes e-Chalk, an Internet-based system, to provide school Web communication for faculty, staff, students, parents and the community. You can navigate to all of our school Web pages from the Directory Listing found on the top of each school home page. Using the e-Chalk Internet-based system, teachers may choose to post current announcements, homework and project assignments, test and quiz dates, etc. Automatic notices are sent when announcements and events are updated by subscribing to the automatic RSS feeds (orange icons) on all of our school homepages. Important district information such as school closing announcements and Board of Education meeting agendas are also posted at www.nred.org.
