**Nov.10, 2020**

**3:30-400**

**Members Present:** Hannah Keller, Ms.Gannon

**Absent:** Ethen Martin, Ivan, Hemmings, Anna Penrose

**Topic of discussion:** Community Service

Reminded Hannah how important it is to document community service on the sheets provided by Mrs.Cohen.

Explained how this community service is not only a “nice” thing to do but how important it looks when it is time for scholarships at the end of their senior year.

Explained to Hannah that I have a list of documented community service times that her class has previously done through activities after school in 9<sup>th</sup> and 10<sup>th</sup> grade.

Discussed/reminded Hannah of how important it is to remember to follow rules and be respectful toward teachers even when we don’t agree with some of the rules.
