

Pearl River School District  
Equity Task Force Meeting Minutes  
January 11, 2023

6:00 PM

Dr. Brady opened the meeting and explained that we would work in subcommittees again for the majority of the meeting.

Dr. Brady clarified the goals and responsibilities of the subcommittees

- Try to define four or five outcomes related to that area of focus
  - What would the members like to see as outcomes “living” in that area of focus
  - Members don’t have to develop the goals or objectives, just the outcomes
  - On the side, the school/district administration will develop the goals and then bring them back to the group for additional feedback
  - On 1/25, the subcommittees will share with the larger group what they are working on
- Dr. Pochintesta announced the locations of each of the groups
- Subcommittee met for the remainder of meeting

The subcommittees closed their meetings at 8:00 PM.

Next meeting: January 25, 2023
