

Harvest Website List

Language Arts - Reading

Starfall - phonics and reading website www.starfall.com

Book Adventure - similar to AR, students can take quizzes on books they've read and earn points for prizes that are shipped directly to your house for free. Parents need an email to sign up. www.bookadventure.com

Storyline Online - listen to books being read aloud by people while seeing the illustrations www.storylineonline.net

We Give Books - read hundreds of books online for free in all genres. Parents must sign up using an email. For every book your child reads, a book is donated to a school, hospital or children's group. www.wegivebooks.org

NEWSLA - read non-fiction and current events made specifically for kids at different reading levels and take comprehension quizzes <https://newsela.com/articles/chimps-reward-cooperation/id/20967/>
