Budget Narrative January 31, 2024

Salary

Salaries are under budget for this year due to unfilled teaching positions, but offset by teaching overload compensation (6th class), substitute coverage, and the addition of paraprofessional positions as required by student need.

Benefits

Benefits are under budget at this time and we anticipate minimal changes, if any, to our census data for the rest of the year. Health insurance, pension and payroll tax expenses are current and are running as expected.

Professional Services

Professional Services are under budget at this time. We are not planning to transfer money to the food services program for 2023-24, as there are available funds within the program to support the expenses at this time.

Transportation

Transportation is under budget at this time and running as expected.

Purchased Services (operational and building)

Purchased Services are slightly over budget at this time. Greenway has been added as a new vendor for grounds services and will commence on March 1, 2024. This is a Town and Board shared expense. Copier leases renewed this year were higher than anticipated.

Tuition

Tuition is under budget at this time and running as expected.

Supplies

Supplies are under budget at this time, primarily from reduced electricity expenses for 2023-24.

Property/Equipment

Property/Equipment is under budget at this time and is running as expected.
