

## NEW YORK STATE ESSA COMPLAINT PROCEDURES

New York State Education Department has created a process for resolving complaints alleging that a local educational agency (LEA), grantee or NYSED has violated a law, rule, or regulation in the administration of any “covered Federal program” under the Elementary and Secondary Education Act (ESSA) as amended by the Every Student Succeeds Act (ESSA).

These procedures offer parents and other stakeholders a process to file complaints and allow for the timely resolution of such complaints. A complainant may include any of the following parents, public agencies, and other individuals or organizations.
