**Principal's Report:** We are seeing a downward trend in the number of positive COVID cases in our students. We currently have zero positive students. We do have 68 in quarantine. Our softball team has played their first game. This is their first game in 1-1/2 years. We have a solid football team. Volleyball has started, and this is the earliest volleyball has ever started in the season. We administered the first round of map testing last week.

One product sold will result in 5 free dress down days. Students that sale 5 or more products will receive 10 free dress down days.

**Family Contract Volunteer Hours:** The following language is found in the Oglethorpe Charter School Family Contract: I will volunteer my time according to the needs of the school, which are currently 10 hours per year for single-parent families and 20 hours per year for two-parent families, by agreeing to accept a fair share of the work to be done as directed by the Governing Board and/or Administration. Naturally, the pandemic and social distancing limits the type of volunteering that can be done this year. In past years, we have given volunteer hours to families for tubs of cookie dough sold. If your child

sales one product item, you will be given credit for the full amount of required volunteer hours regardless if you are a single parent family or a 2 parent family. The other ways that volunteer hours can be earned is by attending school events like the virtual open house, band concerts, chorus concerts, orchestra concerts, and athletic events. You can also earn hours by attending PTO meetings or serving on the PTO or Governing Board. Hopefully, we will be able to get back to the true spirit of volunteering when things settle down with the pandemic.

**Congratulations OCS Softball:** The lady Titan softball team won the first game of the season against Hesse. Great job girls and Coach Winders!
