

Teen Trailblazers

Penn Area Library

Celebrate ‘Teen Trailblazers’ all month long at the Penn Area Library. Learn about 8 amazing young women and what they are doing to make a difference in the world. Your journey begins at the circulation desk where you will pick up a map of the library. As you follow your map you will discover new pages to add to your ‘Teen Trailblazers’ journal with a special surprise at the end!

The ‘Teen Trailblazers’ event is for ages 8 years and older. This program can be enjoyed at your own pace throughout the month of March. Registration is not required for this event. Do your part to keep our community safe: face masks are required while inside the library.

For questions about this program or more information about our upcoming events, contact our Children’s Services Department at pennarealibrary2001@gmail.com or call 724-744-4414.
