

People for People Meeting Minutes
Monday, October 28, 2019

- Went over mission statement-People for People is a group of 9-12 students at Long Lake Central School designed to promote awareness, explore diversity, and teach tolerance. The group will meet monthly to collaborate on various adversities people have faced in the past as well as those issues that are still affecting people today. People for People will establish ways to employ an anti-bias culture in their school and community.
