

**Join the 2021 Summer Reading Program:
Tails & Tales!**

The journey through the animal kingdom is guaranteed to spark the imaginations of children of all ages with stories, games, crafts, contests, and most importantly reading the many books available at Penn Area Library.

Research has shown that children who spend time reading during the summer are likely to maintain their reading skills when they return to school in the fall.

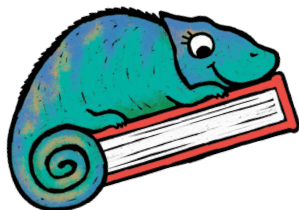

Children will have the opportunity to read recreationally with the added incentive of earning prizes!

We at Penn Area Library invite you to join us this summer on our literary journey. Call 724-744-4414 or visit www.pennlib.org for more information and a schedule of events.

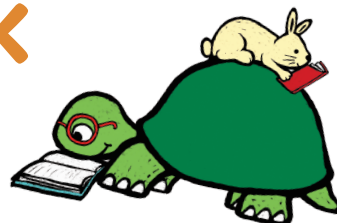

We look forward to seeing you in person and virtually this summer.
