Marco F. Pochintesta
Superintendent of Schools

May 4, 2018

Dear High School Parents,

Yesterday, I sent a letter stating that we will be working with whichever contractor is awarded the bid to replace the athletic field so as not to interfere with our high school graduation ceremony scheduled for Thursday, June 21st. We have been in contact with the potential winning bidder to discuss the schedule and he has indicated that he would be willing to start on June 25th. This serves as further assurance that weather permitting, this year's graduation will take place on the football field. The process will take an estimated 14 weeks which will push the completion date of the field to early October.

Sincerely,

A handwritten signature in blue ink that reads 'Marco F. Pochintesta'.
