3-11-21 COVID-19 Update

March 11, 2021

Dear Pearl River School Community,

Since the last update on March 5th, the district has been notified of 30 new positive cases of COVID-19 in the District: 24 students at PRHS; three staff members at Lincoln Avenue Elementary; a contracted employee at Evans Park Elementary/PRMS; and a student and a staff member at Franklin Avenue Elementary. After consultation with the Rockland County Department of Health (RCDOH), the parents of all students and all staff that were exposed to the positive case were contacted. Anyone exposed to a positive case of COVID-19 must quarantine for 10 days from the last date of exposure and continue to monitor for symptoms for four additional days.

At the high school, most of the students were remote learners, so these cases did not result in high numbers of students quarantined. However, three of our athletic teams were affected.

The district will continue to keep the school community informed regarding how this virus is impacting schools. We know you join us in wishing our students and staff a quick and complete recovery.
