COVID-19 Update March 26, 2021

Since the last update on March 19th, the District has been notified of 20 new positive cases of COVID-19: seven students at PRHS, four students and one staff member at Franklin Avenue School, one student at Lincoln Avenue School; four students at Evans Park School; and three students at PRMS. After consultation with the Rockland County Department of Health (RCDOH), the parents of all students and all staff that were exposed to the positive cases were contacted. Anyone exposed to a positive case of COVID-19 must quarantine for 10 days from the last date of exposure and continue to monitor for symptoms for four additional days.

The district will continue to keep the school community informed regarding how this virus is impacting schools. We know you join us in wishing our students and staff member a quick and complete recovery.
