Green Team

Agenda and Notes

Attendees: Brooke F., Avery P., Anthony M., Camryn H (Absent: Daphne S.)

Agenda:

1. Winter Clothing Swap—We are booked at the Municipal Building for Saturday, March 9, 2024. We have tons of clothing to give away. Any clothing that is in decent shape after will be donated. Any clothing that has holes or stains will be upcycled and made into projects by our Green Team members.
2. We would still like to do a returnables drive to raise money for the Green Team. We are hoping to find a day in the spring to have a Can Drive. Maybe we can combine that with the Clothing Swap.
3. The Green Team has decided that they would like to focus on Upcycling materials this year. We looked at a bunch of different projects that we can do with recycled materials and they decided on making turtle mops out of material/fabric that we have at school (and donate the finished products to the nutrition site to be given away), no sew pillows with some free pillows we got at Thrifty Nifty, as well as a couple of other projects kids have been researching.
4. The Friends of the Library reached out to see if they could partner with us to get the community garden back up and running. They would like to be able to use the produce for the free fruits and vegetables program they run in the summer at the library. They are willing to purchase seeds, plants, fertilizer, etc.
5. Mrs. Furlong will find a time after school for the team to meet to get started on the projects.

Next Meeting Date: Monday, February 26, 2024 during 4th period
