### Remarks

- Review of Observation
  - There are glows and grows, lots of good things and lots of things to improve on
- Parent Concerns
  - None
- Student Concerns
  - Graphic Art kids don't know what they're signing up for
    - Ms. Ocampo addressed the fact that we have created a letter that explains what it means to be a CTE school
    - Suggested creating a new flyer for the graphics program
  - Lessons are bland, but that is a matter of teachers instructional practice not the class
  - Trips are a concern, kids want to see workplaces
- Teacher Concerns
  - None

### Unfinished Business

- None
