

### MISSION STATEMENT:

In partnership with the family, St. Michael the Archangel, a K- 8th grade school, nurtures students to develop strong Catholic values while achieving academic excellence. Striving to foster the uniqueness of each child, the dedicated faculty and staff encourage an environment where all children believe they are created and loved by God.

We aspire to model young adults who embody the principles of morality and spirituality to become our leaders of tomorrow

*At St. Michael the Archangel School  
We work together as a community to inspire our students in their faith formation and academic excellence.  
Visiting makes the difference!*

### Accreditation & Academics

St. Michael the Archangel School, governed by a Board of Specific and General Jurisdiction in collaboration with its Pastors operates under the Office of Education for the Allentown Diocese. St. Michael School is accredited through the Middle States Association of Colleges and Schools Commissions on Elementary and Secondary Schools.

**NURTURING STUDENTS.  
CHALLENGING MINDS.  
INSPIRING FAITH-FILLED LEADERS.**

*Celebrating  
over 40 years of  
faith-filled education!*

# Nuture Students

The faculty and staff of St. Michael the Archangel School are committed to guiding each child to recognize his or her uniqueness in accordance with God's plan and to appreciate and to respect the same specialness in others.

# Challenge Minds

St. Michael the Archangel School challenges the minds of our students by offering an accelerated curriculum which builds for our students a desire to learn and to think creatively.

# Inspiring Faith-Filled Leaders

St. Michael the Archangel School strives to instill in each child a foundation of morality and responsibility so as to ultimately empower future decision makers whose actions reflect our Catholic beliefs. With God as the central focus of every daily activity, St. Michael the Archangel School instills in our students a strong desire to promote and emulate Catholic values throughout their lives.

## QUICK FACTS

- **1:1 iPads for all students K-8**
  - **CODING:** Computer science skills, such as coding, provide critical thinking, logic, persistence and creativity. These are skills that help students excel at problem solving in all subject areas. Offered in grades K-8.
  - **STEM:** The use of LEGO MINDSTORMS EV3 and LittleBits develop critical thinking and problem-solving skills through inquiry-based and active learning.
  - Grades K-3 are provided memberships to Raz-Kids, an engaging reading practice website.
  - Grades K-8 are provided memberships to IXL, an on-line adaptive learning in Math and Language Arts.
- PA certified faculty, many with graduate degrees.
- Bussing is available from most surrounding school districts.
- Both school campuses offer a gymnasium with a stage, a computer lab, a library, and a cafeteria with a hot lunch program.
- The Middle School campus offers a science lab and an art studio.
- Religious instruction includes: sacramental preparation, student liturgies, daily prayers and service projects as well as community outreach.

- Math curriculum includes Accelerated math starting at Grade 4, Pre-Algebra in Grade 7 and Algebra in Grade 8
- Science curriculum includes hands-on experimentation, and introduces earth, life and physical science laws and principles.
- Reading and Language Arts curriculum includes a balanced literacy program in Kindergarten through Grade 6 and a literature program in Grades 7 and 8
- Extra-curricular activities provided through CYO are available that include athletics, academics, social and theatrical events.
