

SUBJECT: AUDIT COMMITTEE

An audit committee has been established by Board resolution. The audit committee may consist of:

- a) The Board as a whole;
- b) A subcommittee of the Board; or
- c) An Advisory Committee that may include, or be composed entirely of persons other than Board members if, in the opinion of the Board, membership is advisable to provide accounting and auditing expertise.

Persons other than Board members who serve on the advisory committee will be independent and will not be:

- 1. Employed by the District;
- 2. An individual who within the last two years provided, or currently provides, services or goods to the District;
- 3. The owner of or have a direct and material interest in a company providing goods or services to the District; or

The audit committee will consist of at least three members who should collectively possess knowledge in accounting, auditing, financial reporting, and District finances. They will serve without compensation, but will be reimbursed for any actual and necessary expenditure incurred in relation to attendance at meetings. Employees of the District are prohibited from serving on the audit committee. Members of the audit committee will be deemed District officers, but will not be required to be residents of the District.

The role of the audit committee will be advisory unless the audit committee consists of at least a quorum of Board members, and any recommendations it provides to the Board will not substitute for any required review and acceptance by the Board.

The audit committee will develop and submit to the Board for approval a formal, written charter which includes, but is not limited to, provisions regarding the committee's purpose, mission, duties, responsibilities, and membership requirements.
