

**OCTOBER 2015**

## **Halloween Candy Drop**

Once Halloween is over and the trick or treating is done, there is too much candy in your house - we have the solution. Bring your wrapped, unwanted candy and drop it in the bin marked **Halloween Candy Drop** (located near the First Avenue doors) at drop-off Monday, November 2nd through Thursday, November 5th. The candy will be donated to children living at Freedom House, a shelter for victims of domestic violence.
