

# Advanced Placement Program

Westbrook  
High School

# Advanced Placement Offerings

Participation in Advanced Placement (AP) courses is encouraged for students who are interested in challenging themselves beyond the regular curriculum.

Students who enroll in an AP course will be required to take the Advanced Placement exam in that course. Score dependent per each institution's requirements, students will receive college credit for these courses and it will support their admission to more selective post-secondary schools.

## Advanced Placement Courses:

- AP 2D Art and Design
- AP Biology
- AP Calculus AB
- AP Computer Science Principles
