## Class of 2024 Meeting

Present: Harrison, Mrs. Combs

Absent: Deuce

Absent due to MASSH, but checked in: Alivea, Luke and Weslie

### Agenda:

- Final Exam Schedule

\*Discussion of schedule being different from regular class schedule.

- Rules for Final Exams

\*Understanding that they are expected to stay in the building, in study hall, doing something productive.

- Advice for incoming 7th graders

\*Harrison finished this.

\*Other class members will complete this next week. We will present this to the 6th graders during our last week of school.

- Looking ahead to next year

\*Discussion of challenges and changes. Discussion of expectations.

Think back to this time last year when you were still in 6th grade. What fears did you have about 7th grade? What were you looking forward to? What advice would have helped you?

Think of one piece of advice you would give to this year's 6th graders as they prepare for 7th grade. Type your advice into a Google doc and share it with me. I will share your advice with the 6th graders. :)
