THE CANVAS HELP MENU

Help

In the Canvas Help Menu, you will find a number of self-directed ways to get help!

Search the Canvas Guides - Canvas has a large library of help files available! These pages are constantly updated with the platform, so they are never out of date.

The Learning Services Portal - Inside the Learning Services Portal, you will find a number of resources:
- **Live Webinars** - Over 30 different live one-hour sessions! *For every 7 of these sessions you complete, the WDE will award you 0.5 PTSB credits!*
- **Self-Paced Video Courses** - There are also some self-paced video courses so you can learn more about the Canvas basics. Jump on in, the water's nice!

ALL THINGS CANVAS COURSE

The Wyoming Department of Education and your Canvas Adoption Consultant have created an informational course, which houses a number of resources:
- Video recording of our spring COVID webinars
- Resources on a number of Canvas topics
- Videos for parents on viewing grades and using the Canvas Parent App
- Access the course here!
