GRADE 2

Unit 6: What a Surprise!							
Overview: During this unit, students will explore anchor and paired texts around the theme of "What a Surprise.!" Throughout the unit students will experience literature regarding how animals live and grow, and about people from the past. Additionally, students will continue to hone their ability to read, write, and spell correctly via the Orton-Gillingham program.		Journeys Program Resources Unit 6: What a Surprise! Enduring Understandings: Animals take on new traits as they grow. Fairy Tales provide us with valuable life lessons. We can learn a great deal from people from the past. Essential Questions: How do some animals change as they grow? How can you learn about animals that lived long ago? What can you learn from reading a fairy tale? What good things happen when people work together? Why might a person from long ago still be important today?
