

11th Grade Class Meeting Notes  
January 8, 2024

Present: Brooke Furlong, Pailin Hample and Mrs. Bailey-Warren

-Reminder to keep Community Service and Achievement forms updated

Shoeboxes-we still haven't been able to get an update on them. Sometimes it takes until the end of January-beginning of February

Soda tabs-containers, we are not getting the type we want. Plan is to maybe buy some cheap rubbermaid like ones that we'll just cut slits in. Sign is made, just need to print them and attach to containers.

Boston Trip-Mrs. Bailey-Warren submitted proposal to board

3rd service project- Girls decided on Charity Bear Warren

-Got the pattern, need to gather polar fleece, eyes and other materials— make and donate to a couple different hospitals

Mrs. Bailey-Warren will work on getting supplies over break. Pailin is an excellent seamstress so we are in good shape! Since Pailin plays basketball & both girls play softball the plan is to work on them mid-February to March once basketball season is over with and before softball season starts. Pick a few days after school to stay and work on them.

We are ready to roll on bears! Just waiting for basketball to wind down since Pailin and Mrs. Bailey-Warren are busy with games.
