

Noun Naming Game FREEBIE

By: hELLO Classroom

Noun Naming Game Directions:

1. The students will need a partner.
2. Give each pair of students a set of noun cards.
3. The partners will set the three noun cards out in front of them facing up, so that each of them can reach the cards.
4. The teacher will call out a noun. For example, "cat"
5. As the teacher calls out a noun, the students will point with their pointer finger to the category that the noun belongs in (cat=thing) Repeat with various nouns (school=place, nurse=person, etc.)
6. The object of the game is to point to the correct category quicker than your partner.
