# Principal's Message

**D**elone Catholic High School continues to grow. Our doors will open in August with 650 students filling our hallways and classes. As they follow in the footsteps of the thousands of alumni that have gone before them, they will tread upon a new floor in the cafeteria and the two hallways leading to the cafeteria.

The project began this summer with the asbestos abatement of the existing tile floor. The area was sealed as the floor tile was removed. Days later, the flooring company took over to prepare the cement for the adhesion of the new poured floor. I know that the maintenance department is delighted since floor tiles will not have to be replaced. That task always involved many steps as the new tiles were 12 x 12 and the existing tiles were 9 x 9.

The other summer project included the replacement of the bleachers in the Sheppard Gym. Black and gold emanates from every corner of the gym; as our ADA approved bleachers now have aisles with railings and areas designated for wheelchairs. Our seating capacity declined to accommodate these changes.

Delone Catholic is changing! But as we change we still remain much the same. Our academic program remains strong. We are proud of our senior student who scored a perfect 1600 on the SAT's. We are proud of the scholarship moneys that our graduating seniors were awarded from colleges and universities. We are proud of the 93% of the graduating class of 2004 who

are continuing their education beyond the halls of Delone Catholic High School.

Delone Catholic High School remains challenged to provide the necessary facilities for our students. The Building and Grounds Committee in conjunction with the Development Committee will continue to investigate future plans for expansion. A new chapel, auditorium, classroom space, music facilities, weight room, woodshop and other areas continue to challenge our inventiveness to plan. Our outside facilities need additional support as well, especially for the inclusion of a track. As an alumnus, if you feel your skills lie in the area of planning or development, please volunteer your services to our committees. Remember, "God does not ask for our ability or our inability, but our availability."

## Mr. Sagedy Retires

After 16 years of teaching numerous math classes at Delone, Mr. Robert Sagedy retired at the end of the 2003-2004 school year. Mr. Sagedy adeptly intertwined his inimitable sense of humor into his daily lesson plans, while helping students master the intricacies of Algebra, Trigonometry and Calculus. There is no doubt that Mr. Sagedy had a positive impact on Delone's students' lives throughout the years. Mr. Sagedy's message to all future students at Delone is a simple one: "Be honest with yourself and work up to your potential." Thank you, Mr. Sagedy, for helping so many of Delone's students work up to their potential. You will be greatly missed by students, faculty and staff alike. Best wishes on your retirement!

Mr. Robert Sagedy

## New Dean of Students

For the past ten years, Mr. Frew has held the position of Dean of Students and also Athletic Director. As our enrollment has grown and also our sports program, Delone Catholic reached the point of time that this one position needed to become two. The Board approved the recommendation. Mr. Frew chose to continue as Athletic Director and teach physical education classes on a part-time basis. Mr. Alan Felix is now our Dean of Students. Alan has established a wonderful reputation throughout the community first as a 1993 graduate involved in many of our sports programs and now as the varsity baseball coach. Alan graduated from Shepherd College. For the past five years he has pursued course work at McDaniel College for a Master's Degree in Special Education. He worked at the Paradise School as part of the Emotional Support Team.

Alan is ready to accept the challenge as an administrator.

## New Faculty Members

The search for new teachers began in the spring. Mr. Sagedy was retiring so the call went out for the math position. Miss Stacey Wingert will join our faculty. Stacey has a BS from York College in Mathematics. She then attended Wilson College to earn the credits necessary in education to become certified.

In March, the Board of Directors approved an additional position in the Social Studies Department. Mr. John Bennett, a graduate from York College earning a Bachelor's Degree in Social Studies, will begin his first teaching experience at Delone Catholic. He is a Hanover native and is very pleased to return to the area for this new assignment.

After two years, Mrs. Tropp decided that the drive from Lebanon each day was too time consuming. This opening in Spanish returned to Delone Catholic a 1992 graduate, Mr. Jim Murren. Jim graduated from Penn State University with a Bachelor's Degree and continued to earn a Master Degree at the University of Pennsylvania. Jim then devoted two years as a Peace Corps volunteer in Honduras. He developed his skills in Spanish fully immersed in the culture of the country.

The Science Department experienced the loss of two teachers. Miss Pinkos, as a faculty member and department chair, decided to embrace the challenge of teaching a new curriculum. She will begin the 2004 school year as the teacher of Chemistry. The two positions in the department enabled us to welcome teachers who will teach both Biology and Physical Science. Mrs. Nicole Gipe graduated from Elizabethtown College with a degree in Biology. She is currently enrolled in Millersville University to complete the necessary education curriculum.

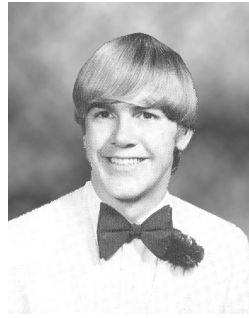

Our second teacher in the Science Department returns to her Alma Mater. Miss Crystal Zeigler, a 1996 graduate, continued her education at the University of Delaware earning a BA in Biology and earned her teacher certification at Shippensburg University. Although a new teacher, Crystal will be able to show Nicole around the school as they share classes and a classroom.

The part-time position of Technology Coordinator was added by the Board this year. Beginning in September, Mr. Adam Atwell will devote fifteen hours a week to the technology program at Delone Catholic keeping all our hardware, software and network running smoothly. Adam is currently working on his graduation project from Carroll Community College at Delone Catholic. He will be totally knowledgeable of our system before he begins in September. Adam is continuing his education at the University of Maryland in Baltimore.

## Ancient Order of Hibernians Awards Scholarships

This year marks the fifth consecutive year for the Ancient Order of Hibernians' Scholarships. Fifteen students from seven local Catholic elementary schools who will be attending Delone Catholic High School in the 2004-2005 school year were honored with scholarships. First awarded in 2000, the scholarships have now assisted more than 75 students in receiving an education at Delone Catholic. This year's recipients are Dominic Cerniglia and Laura Sneeringer from Annunciation BVM; James Lenick, Lauren Smith and Hans Glas from St. Vincent de Paul; Saran Neitz and Marc Hayden from St. Francis Xavier; Sarah Comly and Charles Hertz from St. Joseph in Hanover; Holly Kreiner and Brandon Dinges from Sacred Heart; Amanda Crotsley and Ryan Little from Immaculate Conception and Nina Stiens and Meghan Wiebe from St. John's in Westminster.

The AOH funds the scholarships by selling raffle tickets for two all-expense paid trips on their 10-day "Shades of Ireland Tour." The trip, which is scheduled for July 20, 2005, includes transportation from the York and Hanover areas to BWI, airfare to Ireland, tours, first-class hotels and 14 meals. Raffle tickets are on sale now and can be purchased by calling Tom O'Hara at 717-637-4578 or Delone Catholic at 717-637-5969.

## Memorial Garden Dedication

On Sunday, June 6th, 2004, approximately 170 alumni, friends, family and community members came together to dedicate Delone's new Memorial Garden. Rev. Lou Nyiri of Gettysburg Presbyterian Church read from Ecclesiastes 3, Verses 1-14 and Rev. Charles Persing of St. Joseph's Catholic Church in Dallastown gave the blessing and dedication. After a brief, but moving ceremony, participants were invited into the old gym for a variety of light snacks and refreshments. It was a lovely day to remember those who are no longer with us or those who were honored for their years of service to Delone Catholic.

The semi-circle shaped garden is partitioned by a concrete walk that forms a cross. Within each section of the cross are a variety of flowers and shrubs that were planted by volunteers Keith Noel, Michelle Yealy, Erica Livelsberger and Mary Kale. Around the perimeter of each section are 32 memorial plaques. A thirty-third plaque is located on a center pedestal upon which stands an angel overlooking the garden. At both ends of the garden is a bench where one can sit in quiet reflection and contemplation.

We wish to extend our extreme gratitude to Mr. Keith Noel, Head of Maintenance at Delone Catholic, for volunteering so many hours constructing the Memorial Garden, as well as to Conewago Contractors, Donald B. Smith Roofing Contractor, Hanover Architectural Products, Mr. Russell Neiderer, Mr. Troy McMaster, and Shaffer's Bobcat & Backhoe Service for donating their time, labor, equipment and materials. Please stop by and visit Delone's Memorial Garden. The conception, planning, construction and dedication were truly a Delone community effort.

## DCHS Forensics Team Competes in Nationals

After qualifying in dramatic interpretation (DI) on a national level, Shea O'Donnell and her forensics coach, Kim Overholt, were able to compete in the N.F.L. (National Forensics League) at Salt Lake City, Utah, June 12th -18th, 2004, thanks to the generous contributions of the following individuals:

Dr. Maureen Thiec  
Carolyn Hughes and Francis Lippy  
DCHS students  
DCHS Student Council  
Mrs. Theresa Campbell  
James A. Strazzella  
Ms. Theresa Petry

Robert Weishaar, Jr.  
Mr. & Mrs. Henry Shea, III  
Justin Highland  
Mr. & Mrs. Stephen Dunn  
Mr. & Mrs. Dennis Corbitt  
Michael S. Becker  
Phil Leonard  
Mr. & Mrs. William F. Overholt

*Shea O'Donnell*

As you may recall, the last time someone competed at this level was a decade ago, so to say that it was an exciting and noteworthy event doesn't really do it justice. As an overview, Shea competed four rounds in Dramatic Interpretation (a theatrical-like performance of a piece about three eating disorders called "Eating Out") before she was eliminated. She then entered the Poetry category in which she performed Tim Burton's "Oyster Boy." Shea was very successful "breaking" (or making it) on a national level into a total of four rounds before being eliminated entirely. This process took four days after which time she and her coach had the honor of watching (along with 5,000 other spectators) the last six finalists in Dramatic Interpretation, Humorous Interpretation and Duo (a two-paired interpretative performance) compete in Salt Lake City's Performing Arts Center. What a sight to witness, and what a place to dream and set goals for next year.

Without the generosity of the above contributors, Shea would never have had the privilege of such an experience, for which her coach is eternally grateful.

## 11th Annual Henny Noel Memorial Golf Tournament

Friday, June 18, 2004 turned out to be a warm, beautiful day in which 216 eager golfers hit the links at Cedar Ridge Golf Course in Gettysburg. As you may already know, the proceeds from the Annual Henny Noel Golf Tournament are used, in accordance with the wishes of the Noel family, to provide tuition assistance to students at Delone Catholic High School. This year's event raised approximately \$11,000, which is a record-breaking figure! Because of the generosity of our sponsors and those who participated in this year's tournament, there will be many more students than ever before that will realize the benefit of a quality Catholic education.

No event could be such an outstanding success without the blessings of help and support of so many friends, alumni, community groups and businesses. We would like to add a special thank you to Roger Weaver of Cedar Ridge Golf Course for his unwavering support of Delone Catholic High School and for being such a generous and gracious host.

## Baseball

Batter Up! Through the cold and rainy weeks of March through the hot and humid days of May, the Squires Baseball Team played exceptional ball. From the first pitch to the last at bat, they proved to be a consistent team with skilled and resourceful players. The depth on the bench came from a mixture of senior leadership and rookie determination which produced tough wins over division rivals. The Squires clinched a district playoff spot, losing in the second round to the state champions, Northeastern. Jeff Lawrence, Tony Livelsberger and Zach Mentzer were named by the *York Daily Record* to the YAIAA Division II All Star Team! Congratulations, gentlemen!

## Softball

It is called "softball," but our Squirettes really play it hard! New faces, determined to establish veteran status, took their place in the batting order and on the field. Opening the season with a spell of bad weather, this hard playing rookie team wouldn't let it rain on their parade. The ladies ended the season with a record 12-8. Outstanding season, Ladies!

## Tennis

Tennis, anyone? This was the boys second season in "exhibition" status. Captain, and lone senior, Jake Crabbs, led the young and inexperienced team, keeping their morale up even as they suffered eight straight losses. It was a tough year for the team, but they did end the season on a high note with two wins against Dover and York Catholic. Good luck next season!

## Track & Field

Another rewarding and challenging year has passed into history for the Delone Catholic Track & Field Team. The girls' team had an 8-1 record and finished 2nd in the YAIAA Division II League for the second consecutive year. The boys' team had a 4-5 record, but was in striking distance in all but one meet. Team records were set by Lucas Neiderer in the 1600 meter run and high jump, Franz Placke in the pole vault, Tiffany Kauffman in the 100 meter dash, Veronica Eltz in the 1600 meter run, and Katie Hertz, Alexis Becker, Taryn Collins and Veronica Eltz in the 4x800 meter relay. The relay team of Katie Hertz, Alexis Becker, Taryn Collins and Veronica Eltz placed 3rd at Districts! Veronica Eltz placed 3rd in the 1600 meter run at Districts! Franz Placke placed 3rd in Distract and 8th in States in Pole Vault! Tiffany Kauffman was named to the *York Daily Record* Division II All-Star Team. Coach Scotty Watt was voted Coach of the Year, Division II by the *York Daily Record*. The team loses 5 seniors to graduation and they will be missed! Best of luck to graduating seniors Katie Hertz, Tiffani Goff, Scott Smith, Gideon French and Franz Placke. Congratulations one and all!

## Message from Development Director

### The More Things Change, The More They Stay The Same.

Allow me to formally introduce myself. My name is Carolyn Hughes and, as of February, 2004, I am the new Development Director at Delone Catholic. I accepted this position mid-year and it certainly presented many challenges! But, let me tell you a little about myself first.

I was born and raised just outside of New York City. After completing my education, I moved to Los Angeles, California to pursue several lucrative job opportunities. I was happily ensconced in my "L.A." life, working for 27 years as a litigation paralegal in one of the top law firms in the country. However, my true passion was my fascination with and study of the battles of the Civil War. Reading about what occurred during the Civil War years is one thing; however, seeing the ground firsthand is another, for it is the ground which dictates the battle. So, in March of 2000, I fulfilled a life-long dream and spent a week walking the hallowed ground known as "Gettysburg." One year later, I left my world as I knew it and embarked on a new adventure. I moved to McSherrystown, PA and am now within driving distance of every battle that took place in the Eastern Theater of the Civil War. I still need some practice driving in the snow and on ice, however!

Delone Catholic High School may have a new development director, but our goals in the Development Department are still the same: building relationships with parents, alumni and people in the community and encouraging them to care about Delone Catholic's success and future prosperity. A direct result of achieving our goal is the involvement of people in Delone Catholic's mission and vision for the future through financial support.

We would like to thank everyone who was financially supportive in the 2003-2004 Annual Fund Campaign, for you have truly blessed Delone Catholic with your gifts. In the next few months, we will be launching the 2004-2005 Annual Fund Campaign. Our Annual Fund Campaign is one of our largest

sources of revenue and it plays a critical part in the school's effort to continue to provide our students with the best in educational tools and teachers while maintaining an affordable tuition scale. Donations made to our Annual Fund Campaign are also critical in meeting the ever increasing costs and expenses related to maintaining a 60-year old building. Examples of how your donations are making a difference are represented through the photographs of our new bleachers and floors in this edition of *Delone Today!* Please continue to demonstrate your commitment to Delone Catholic in helping us provide a quality, Catholic education for our students. For it is through your support that we can continue the process which merges the past with the present so that Catholic education touches the future eternally.

I would also like to announce our 1st Alumni Homecoming Dance which, we hope, will become an annual event at Delone Catholic! Immediately following this season's homecoming football game, there will be a dance held at the McSherrystown Social Hall. Details are included in this edition of *Delone Today!*

I feel very blessed to have joined and been welcomed by the Delone Catholic family. I hope to become better acquainted with more of you in the years to come. Please feel free to call or stop by with any suggestions, comments or questions you may have for the Development Office. My door is always open!

Carolyn M. Hughes  
Director of Development
