

Health, Safety and Wellness Committee

November 14, 2018 Meeting Minutes
2:45-3:45 p.m., LLCS Conference Room

Members Present: Michelle Billings
Michael Farrell
Tina Pine

Members Absent: Carey Pooler
Noelle Short

Mike Farrell asked questions regarding a sequential health education curriculum and various parts of District Wellness Policy (soda water, ices containing fruit/fruit juice, how school menu is distributed to parents monthly, access by athletes to vending machines prior to away games).

Committee will get paperwork from Hamilton County Community Services and Dana Goetze re: curriculum.

Michelle Billings presented “Positivity Project Family Information” handout and Second Step Program (from Carey Pooler) as tools for teachers.

Discussed Backpack Program, attendant problems of overloading small children. Questions regarding delivery and confidentiality.

Committee members will contact other districts to see how they deal with these issues.

Michelle Billings presented a great idea from Karl Geiger to build a PVC-framed greenhouse/shelter to extend school gardening season. Will contact Green Team and Gardening Committee for a follow up.

Michelle Billings raised issue of providing parents/students with programs that model healthy behaviors by/for adults/teachers/staff (Step counters, Sunday Night Basketball, Flu Shots, etc.)

Next meeting will be on January 16, 2019 at 2:45 p.m.
