The school year is almost over! We will discuss a variety of careers and students will create interesting "Eggs-ceptional" future eggs.

Look for some high flying hot air balloons as well, some of them will be stained glass wind chimes.

June is not only the end of the school year, but the end of elementary school for our junior high students to be. Congratulations to all of you! We would also like to say Happy Father's Day to all our special fathers out there.

Crafts this month will include, hot air balloons and self silhouettes.

May all of you enjoy your summer break and see you next school year.

Wow! It's the end of another school year! Although we only have 6 days of school left, our students will be busy painting stain glass hot air balloons and learning about careers as well as sharing their own career choices. We will spend our last day celebrating with Ice Cream Sundaes and lots of fun activities. Thank you to all our parents for your support and participation throughout this year. It has been an awesome school year. I hope everyone enjoys lots of rest and relaxation and has a Fantastic summer!

Pam
