2022-2023 Committee Minutes

Date: 11/8/22

Committee Name: Technology Committee

Facilitator: Biz Noonan

Recorder: Chris Sass

Members Present: B. Noonan, C. Sass, J. Tremblay

Members Absent: Dennis Rust

Discussion Highlights:

- Promethean updates
  - Install order was created by Dennis, Chris, and Noelle. Eric is following the order accordingly.
  - Teachers "on deck" to receive installed boards have a board on cart to experiment and learn the device before permanent installation.
  - 7-12 classrooms in progress, Elementary and specials will follow. Chris is following up with Teachers in preparation for install.

- Spent time experimenting with Promethean boards and learning techniques for demonstration or simple troubleshooting.

- Discussion regarding two-factor authentication.

Next Meeting Date: 12/5/22

Next Meeting Agenda Items: 2FA Followup, Promethean updates.
