

# Art and Science Triarama Project

Thank you to all the generous people who gave their time to create videos and activities so the McCullough students would have some kind of Art and Science program this year! We are going to end the year with a mini project the students can create.

**March Project - Create a Science or Art themed Triarama**  
***A Triarama is really easy to make. It is simply a diorama made from a single square of paper, cardboard or poster board.***

- For help constructing the Triarama, check out:  
<https://www.youtube.com/watch?v=bu80853TNw8>
- The Triaramas can be of any Art or Science subject
- All participants need to be registered by March 17, 2021
- All participating students will be entered into a prize raffle  
**\*There will be a pick up day for prizes outside of school, no prizes will be able to be picked up in school\***
- Triaramas will be due March 24, 2021
- Please forward a photo of the completed project to [pcgater4@gmail.com](mailto:pcgater4@gmail.com) for a video or slideshow to be put on the district's website

Please register to Pam by March 17:  
[pcgater4@gmail.com](mailto:pcgater4@gmail.com)

Include:

- 1 Child's name
- 2 Project name and whether it is Art or Science related
- 3 Child's grade and teacher
- 4 Email address(for contact of raffle prizes)

## Example of a Triaramas
