

Message from Executive Director

For release August 7, 2020:

Good afternoon all,

I hope you are all well. I'm sure you have heard that school will be reopening in the fall. I wanted to let the community know that we are working on scheduling right now.

I understand that many students and family are still concerned about students returning to the classroom. Therefore, we are devising a plan where each student will come to the school on specific days of the week and continue remote learning on the other days. We simply do not have space to social distance ensuring that all students and staff are safe by being in the building at the same time. We are planning to have Zoom meetings with parents next Tuesday, Aug. 11, Wednesday, Aug. 12, and Thursday, Aug. 13, in order to get feedback from the community. We will also be conducting surveys to determine whether your student has access to technology and how comfortable you are with your student returning to school.

We will provide more information about times for these meetings later this weekend on both Jupiter, our learning management system, and on our websites: <http://www.ndchsbrooklyn.org> or <http://www.ndchsqueens.org>.

I hope you will all be able to join us. As usual, you can always reach out to any staff through Jupiter or personal contacts.

Thank you,
Dr. A
