Technology Committee Meeting Minutes
10/7/2019

Present: Christopher Sass, Elizabeth Noonan, Joseph Koehring, Dennis Rust
Meeting started at 2:45

Smartboards:
- Some beginning to fail, we will be looking into replacements.
    - There are concerns regarding compatibility of Smart Notebook program if we switch brands.

Chromebooks:
- Chromebooks will be added to the current sign-out laptop station in the computer lab for students who forget theirs at home/have problems that cannot be immediately solved.
    - Number TBD, devices will be added in the coming week.

Technology plan:
- State plan acquired, adaptation in to in-house plan will begin. Review and discussion to continue at the next meeting.

Dennis updates:
- Mirror360 licenses corrected and appropriate teachers are set up accordingly.
- Printer/copier issues have greatly decreased.
- SubStaff Password to be changed
    - to be shared with teachers later this week.
- New generic Apple/iPad login set up
    - We will share with appropriate teachers as requested.

Next meeting: 11/4/2019 @ 2:45

Meeting ended at 3:10
