Superintendent of Schools

January 6, 2021

Dear Pearl River School Community,

Yesterday, we were notified of four new positive cases and one new positive case today of COVID-19 in the District: one student at PRHS, one staff member at Evans Park School, one student at Franklin Avenue School, one student at PRMS and one student at Lincoln Ave School. No further action is needed as a result of these cases as none of these individuals have been in school during their infectious period.

We will continue to keep our school community informed regarding how this virus is impacting our schools.

I know you join me in wishing our students and staff a quick and complete recovery.

Sincerely,

Dr. Marco F. Pochintesta
