THANK YOU to our Daisy students, families, faculty, and staff for all of your contributions to this year's run! Your sponsorships, donations, volunteering, running, walking and cheering all made our event a success! We also thank our Westbrook public school

administrators for attending and to the local community for their ongoing support through sponsorships, donations and participation! We had record numbers for the 5K & Fun Run: more than 250 registered runners this year!

We need more race committee volunteers **now** to start planning next year's event! Email info@daisydash5k.com to help.
