**Marco F. Pochintesta, Ed.D.**  
Superintendent of Schools

February 2, 2021

Dear Pearl River School Community,

Since my last COVID update, we were notified of five new positive cases of COVID-19: three students at the Middle School; one student at Lincoln Avenue School; and one staff member at PRHS. After consultation with the Rockland County Department of Health (RCDOH), the parents of all students and staff that were exposed to the positive cases were contacted by their respective schools. Anyone exposed to a positive case of COVID-19 must quarantine for 10 days from the last date of exposure and continue to monitor for symptoms for four additional days.

Our protocols, including mask wearing, cleaning and sanitizing, frequent hand washing, monitoring for COVID-19 symptoms and social distancing continue to be implemented in all schools.

We cannot emphasize enough that parents, students and staff members must be just as vigilant in following the public health guidance outside of school, including limiting group gatherings, practicing good hygiene, wearing masks and following social distance guidelines.

As always, the health and safety of students and employees is our top priority. We appreciate your continued support.

We will continue to keep our school community informed regarding how this virus is impacting our schools. I know you join me in wishing our students and staff member a quick and complete recovery.

Sincerely,

Dr. Marco F. Pochintesta
