

Level Green Spring Clean

The Level Green Community will undergo a spring cleaning on Saturday May 1st. The event is part of the Keep Pennsylvania Beautiful, Pick up PA Community Improvement Initiative.

Throughout the year, litter is picked up along the Level Green roadways by both the Level Green Women's Club and the Level Green Lions Club. The spring clean event is a collaboration between numerous organizations including the Lions, Women's Club, Level Green Fire Dept, Boy and Girl Scouts. Registration for the event will begin at 9:00AM at the Level Green Community Building, roads will be assigned to participants at that time. This year there will be an emphasis placed on family participation.

Any family wishing to participate and wanting to clean a specific roadway can pre-register by sending an email to LevelgreenSign52@gmail.com, include family members names and the requested roads. All supplies for the event will be provided and refreshments will be served afterwards. All current CDC guidelines will be followed, please report to the event wearing a mask. A rain date has also been set for Saturday May 8th.
