

SHADOW PROGRAM

Best way to get a “feel” for Notre Dame is to visit us. Come and talk with students, sit in on classes and observe the many activities that are available to our Crusaders.

The shadow program is designed for students interested in school. For example, students are paired up with one of our ND Tour guides and may spend a day on campus “shadowing” the ND student who serves as their host while attending classes, having lunch and experiencing the richness of campus life at ND. To schedule a shadow day, please email Cheryl Fenton cfenton@ndcrusaders.org.
