SUBJECT: PROBATION AND TENURE

The Board will comply with all applicable laws and regulations regarding probation and tenure. Any updates to applicable laws and regulations, whether temporary or permanent, will supersede any conflicting language in this policy. As a result, different probationary and tenure rules may apply for teachers or building principals in certain circumstances.

Probation

Generally, teachers, all other members of the teaching staff, principals, administrators, supervisors, and all other members of the supervising staff will be appointed by the Board upon the recommendation of the Superintendent for a probationary period of four years.

During the probationary period, a staff member will be given assistance in adjusting to the new position, but the essential qualifications for acceptable performance will be assumed because the staff member attained the required certification or license.

A staff member's appointment may be discontinued at any time during their probationary period upon the recommendation of the Superintendent and by majority vote of the Board.

Any staff member not recommended for tenure appointment will be notified in writing by the Superintendent no later than 60 days before their probationary period expires.

Tenure

At the expiration of the probationary period or within six months prior, the Superintendent will make a written report to the Board recommending for appointment to tenure those who have been found competent, efficient, and satisfactory and, in the case of teachers and building principals, those who have received APPR ratings of effective or highly effective in at least three of the preceding four years, exclusive of any breaks in service.

If a teacher or building principal receives an APPR rating of ineffective in their final probationary year after receiving APPR ratings of effective or highly effective in the preceding probationary years, they will not be eligible for tenure. However, the Board may extend that teacher's or building principal's probationary time by an additional year. The teacher or building principal may be eligible for immediate tenure if they successfully appeal the ineffective rating.

The Board may then—by a majority vote—appoint to tenure any or all of the persons recommended by the Superintendent.

A teacher or building principal will remain on probationary status until the end of the school year in which they have received APPR ratings of effective or highly effective for at least three of the four preceding school years, exclusive of any breaks in service. During this time, the Board may grant tenure contingent upon a teacher's or building principal's receipt of a minimum APPR rating in the final year of their probationary period. If the contingency is not met after all appeals are exhausted, the grant of tenure will be void and unenforceable and the teacher's or building principal's probationary period may be extended for an additional year in accordance with law.

Resolutions Making Appointments

Each Board resolution making a probationary appointment or an appointment on tenure will specify:

a) The name of the appointee;

b) The tenure area or areas in which the professional will devote a substantial portion of their time;

c) The date probationary service or service on tenure commences in each area;

d) The expiration date of the appointment, if made on a probationary basis. For appointments of classroom teachers and building principals, the resolution must state that:

1. To receive tenure, the individual must receive composite or overall APPR ratings of effective or highly effective in at least three of the four preceding years; and

2. If the teacher or building principal receives an ineffective composite or overall APPR rating in their final year of probation, they will not be eligible for tenure at that time; and

e) The certification status of the appointee in reference to the position to which the individual is appointed.
