### **4-23-21 COVID-19 Update**

April 23, 2021

Dear Pearl River School Community,

Since the last update on April 16th, the District has been notified of four positive cases of COVID-19: three students at PRHS and one student at Evans Park School. Two of the cases are previous infections that we were just notified about, however, we must report them on our school dashboard. After consultation with the Rockland County Department of Health (RCDOH), the parents of all students and all staff that were exposed to the positive cases were contacted. Anyone exposed to a positive case of COVID-19 must be quarantined for 10 days from the last date of exposure and continue to monitor for symptoms for four additional days.

We are very happy to see this decline in the number of new COVID-19 cases in the District this week and hope that it continues.

The district will continue to keep the school community informed regarding how this virus is impacting schools. We know you join us in wishing our students a quick and complete recovery.
