Dear Parent,

According to Pennsylvania Law, nonpublic school children are entitled to transportation to nonpublic schools as follows:

- A district that provides transportation for resident public school students must also make 1. identical provisions for the transportation of resident nonpublic students.
- 2. Transportation for nonpublic school students must be provided to and from the nonpublic school. (Note: This distance may be in excess of 10 miles from the student's home.)
- 3. A district may transport children who live along hazardous routes even though the children live within walking distance of the school.

If you believe you are eligible for transportation and desire it for next school year, complete the Transportation Request Form below and return it to school without delay.
