

Long Lake
CENTRAL SCHOOL DISTRICT

10th Grade Class Meeting Minutes

Date: December 7, 2020

Recorder: Mr. O'Shell

Present: Sophie, Makenzi, Logan, Ravyn, Reid

Absent: none

Discussion Highlights: Students brainstormed and planned ways to support a holiday food drive for the Long Lake Food Pantry and item drive for the Tri-Lakes Humane society. They decided to make the drive a contest between three groups: students in grades pre-K to 6, students in grades 7 to 12, and LLCS staff. The prize will be bragging rights, as the competition is meant only to provide a competitive spirit to motivate all to help out if they can. We all know there is an increased community need this year. They planned to help with the logistics of this drive by moving, sorting, and boxing donated items.

Action Items: Move donated items as they come in. Sort and box items at the conclusion of the drive.

Next Meeting: January 22, 2021
