

**October Meeting Date:**

**Attendance: AG, LD, KC, KD, TP**

**Next Meeting Date:**

## **Discussion/Agenda**

**Scarecrows 10/28:**

**What do we need?**

- Staple guns?
- Rubber mallots/hammers
- Chalk, jump ropes (after scarecrows if time allows)
- Can we hammer into the ground?
- Facebook post for local businesses to pick up a scarecrow if they'd like
- Scissors, twine, sharpies, directions
- Lean scarecrows against old garden fence, partner hold
- Send e-mail in the morning, meet at your 8th period class, then outside on the front lawn 1:15

**What does the breakdown of the day look like?**

- Meet together at the top of the hill, all scarecrow pieces will be spread out along the sidewalk
- LD give a rundown of the process, check to make sure everyone knows buddy pairs
- Pass out directions, guide students to get all pieces then head to the bottom of the hill to start building and get hay
- All hands on deck, everyone take photos and spread out

**For future spirit weeks: twin day with big/little buddy?**
