

5131.7 WEAPONS AND DANGEROUS INSTRUMENTS

The Salisbury Board of Education determines that possession, concealment, and/or use of a weapon by a student is detrimental to the welfare and safety of the students and school personnel within the district. Possession and/or use of any dangerous or deadly weapon, firearm, or destructive device in any school building on school grounds, in any school vehicle, or at any school-sponsored activity is prohibited.

A "dangerous weapon" is any weapon, device, instrument, material or substance, which under the circumstances in which it is used, attempted to be used or threatened to be used is readily capable of causing death or serious injury. A "deadly weapon" is any instrument, article or substance specifically designed for and/or presently capable of causing death or serious injury.

Pursuant to federal law, the term firearm includes, but is not limited to, any weapon designed to or may readily be converted to expel a projectile by the action of an explosive, the frame or receiver of any such weapon, a muffler or silencer for such a weapon, or destructive device. A student who violates this policy will be reported to law enforcement authorities.

A "destructive device" is considered any device with an explosive, incendiary or poison gas component or any combination of parts either designed or intended for use in converting any device into any destructive device or from which a destructive device may be readily assembled. A destructive device does not include any device which is designed primarily for use as a signaling, pyrotechnic, line-throwing, safety or similar device.

The possession or use of any such weapon or devices will require that the proceedings for the suspension and/or expulsion of the student involved will be initiated immediately by the principal. If the student is found to have possessed a firearm or other dangerous weapon as defined in Connecticut General Statutes [53a-3](#) in violation of [29-35](#) or [53-206](#), in or on the real property of a school or at any school activity as defined in Connecticut General Statutes [10-233a](#), he/she must be expelled for one calendar year. The Board of Education or hearing board may modify the period of expulsion on a case by case basis. To comply with federal law, any finding of an exception shall be reduced in writing. All legal restrictions and requirements will be adhered to pertaining to special education students.

The Board shall consider a student's conduct off school grounds that is seriously disruptive of the educational process or is violative of publicized policies of the Board as grounds for expulsion.
