

## Senior class meeting November 30, 2021

### Class Meeting #4

Date: 11/30/21

Time: 2:36-3:00

Attendance: IH, AP

Absent: EM

### Discussion topics

- Community Service-
  - Students updated their community service logs - all three seniors earned an hour helping Mr. Geiger serve the Thanksgiving dinner and clean up in the kitchen. We made sure we had information from last year included as well.
  - We would like to run a food drive again this year, working with the 11th graders to run a contest and collect items to be donated on the day before holiday recess
- Class Trip Discussion: we have reached consensus that Montreal is our number one hope for a senior trip. There is interest in seeing the old city, going to Notre Dame of Montreal, the biosphere, the Musee Redpath. Mount Royal Park, and eating a lot of poutine.

### Action Items:

- Plan the food drive - set the dates, design a poster advertising contest - anticipated start date: 12/8
- Find out if Montreal is an option for our senior trip
