

# Project Grade Sheet

NAME:

CLASS PERIOD:

**Assignment:** MOSAIC LANDSCAPE COLLAGE-

Students were introduced to the history of Mosaics and how art has been influenced by them today. Students learned about the different types of Tesserae that mosaics were made from, as well as modern uses for creating mosaics.

Students were graded on completion, evidence of planning, color choice, use of space, unity of tesserae, compositional organization, craftsmanship, understanding/following assignment directions and expectations.
